

Sayyid Al-Hakeem: Iraq's political stability impacts region positively, vice versa

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, received the United States Ambassador to Iraq, Ms. Alina L. Romanowski on 5/4/2023, and discussed the political landscape in Iraq and the region and the relations between Baghdad and Washington. His Eminence reiterated his support for the government's efforts to implement its service and development programs. Moreover, H.E. stressed sustaining the security and intelligence cooperation between Iraq, the United States, and the world to combat terrorism and address their deviant ideologies. H.E. illustrated as well that Iraq's political stability is reflecting positively on the region and vice versa. We reiterated our call for more dialogue and cooperation to resolve all outstanding issues.
