

Sayyid Al-Hakeem: current stability is due to moderation speech trend

In the guest place of Sheik Dhahir Habeeb Al-Hamoodi Banu Malik, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement on Friday, 5/5/2023, met several sheiks and dignitaries of the tribe and recalled the immortal stations they share.

His Eminence illustrated that political, security, social, and economic stability are due to the moderation speech adoption, indicating that regional and international openness is the trend after having anyone who talked about it as a traitor and supported by foreign agendas.
