Sayyid Al-Hakeem calls upon Karkh and Rusafa Organizational Leaders to serve people

During His Eminence’s meeting with the organizational leaders of Al-Hikma National Movement in Karkh and Rusafa on 7/10/2023, Sayyid Ammar Al-Hakeem reaffirmed his support for the Palestinian cause, emphasizing that rights are not subject to the passage of time and that the Palestinian people have a right to their occupied land and the establishment of their state.

H.E. also extended his blessings for the occasion of the noble Prophet's birth date, calling to draw inspiration from the Messenger of Allah, ”peace be upon him and his family” and following his teachings and project.

H.E. stressed the full readiness for the upcoming elections, noting that Al-Hikma is a symbol of moderation and centrism in the eyes of all and that the main reason for targeting Al-Hikma is the knowledge that they do not respond to harm with harm.

Sayyid Al-Hakeem stressed the importance of providing services and continuing to work for the public interest, whether they voted for Al-Hikma or not, as service is the philosophy of Al-Hikma National Movement. H.E. called for diversity in service, excellence in it, and the utilization of all available resources while adhering to the principle of service.

H.E. also pointed out that Al-Hikma National Movement enjoys broad acceptance and called for transforming this acceptance into electoral support.

Sayyid Al-Hakeem reiterated his support for the youth, emphasizing that Al-Hikma National Movement is a youth movement, and called for harnessing this characteristic in dealing with the public.
