Sayyid Al-Hakeem: Everyone's responsible to preserve achieved stability, after suffer, martyr’s bleeding

Sayyid Ammar Al-Hakeem, Head of Al-Hikma National Movement, met Mr. Hadi Al-Amiry, head of Fath Coalition on 1/11/2023, and discussed the political scene in Iraq and the Region, the election dues, and ways to prepare for the election to bring back the status and position in the decentralized Iraqi system.

His Eminence held everyone responsible for preserving the achieved stability and illustrated that this stability is the crowning jewel of a long march through suffering and the results of the blood sacrificed to liberate the country and support the democratic experience.

Regarding the Palestinian case, H.E. called to cease military operations at once, open border crossing, and let aid rush in to help. H.E. affirmed that values and international laws have fallen when their horns stood silent in the wake of genocides against unarmed women and children.
