Sayyid Ammar Al-Hakeem, Head of Al-Hikma National Movement, discussed the latest political and regional developments, as well as the upcoming electoral milestones with Dr. Jamal Al-Karbouli, the leader of Al-Anbar United Alliance, accompanied by Dr. Salman Al-Jumaili and Mr. Ayad Al-Jubouri, on 2/11/2023. During the meeting, they emphasized the importance of conducting the elections on their scheduled date.

His Eminence called for competition based on service-oriented programs and highlighted the significance of these elections in reestablishing decentralization within the political system, ensuring a fair distribution of resources among the provinces, and empowering the residents of these provinces with their wealth, opportunities, and blessings. H.E. also emphasized the need to address the areas affected by the terrorist acts of ISIS, as well as focusing on remote regions, especially border regions.

Furthermore, H.E. stressed the importance of maintaining a unified stance on events in Palestine. H.E. also stated that what is happening amounts to a complete genocide, conducted in full view and hearing of the world, which has turned a blind eye and a deaf ear to the cries of innocent children and civilians.
