Sayyid Al-Hakeem: NSPA seats by every candidate’s effort

Sayyid Ammar Al-Hakeem, Head of Al-Hikma National Movement, met with the victory partners, candidates of the National State Powers' Alliance (NSPA) who weren’t as lucky to gain a seat at the local government, congratulating them on the birth of Imam Mohammed Al-Baqir “PBUH”, Hus Eminence also expressed condolence on the 21st anniversary of the departure of Shaheed Al-Mihrab “may Allah sanctify his soul”, and lauded the achieved seats and the alliance gaining 24 seats in the provincial councils.

His Eminence expressed that the seats are the culmination of all NSPA candidates' efforts and their social acceptance without any other financial, authoritative, or state manipulation considerations. H.E. illustrated that victory wasn’t achieved by one person, but by all through creating a general wave and reinforcing uprising voices and working collectively for it. H.E. lauded the role of the organizations of Al-Hikma National Movement and the organizations of the other powers in the alliance and their efforts in supporting the candidates and sticking by their side. H.E. also affirmed the importance of preserving the experience with constant revisions and communication with the public, proving credibility, keeping promises, and acting within the sense of honest men of the state.
