Sayyid Al-Hakeem underscores framework unity, advocates similar initiatives across various domains

Sayyid Ammar Al-Hakeem, Head of Al-Hikma National Movement, engaged with the political office's delegation of the Coordination Framework on 2/3/2024. Where His Eminence stressed the significance of maintaining cohesion within the framework, highlighting its role in the current political stability. Additionally, H.E. called for analogous initiatives to be implemented in diverse arenas.

His Eminence also affirmed the crucial support for newly established local governments, emphasizing the need to fortify and bolster the existing stability. H.E. insisted on delivering services and scrutinizing the performance of local governments, both in terms of service provision and the capacity to effect a qualitative transformation in this realm. Furthermore, H.E. reiterated his endorsement of the government's endeavors concerning the resolution of the International Coalition's efforts against the terrorist group ISIS, clarifying that the government holds direct responsibility for concluding the mission and entering into bilateral agreements between Iraq and coalition nations.

His Eminence implored the international community to voice its stance on the situation in Gaza, asserting that silence implies the breakdown of the human and international legal framework. H.E. emphasized the imperative of ceasing the war as the optimal assurance to prevent the escalation of conflict into other regions.
