Sayyid Al-Hakeem calls for Islamic, Arabic, Palestinian unity to face Gaza war

Sayyid Ammar Al-Hakeem, Head of Al-Hikma National Movement, convened this evening with Mr. Mazin Ghneim, the head of the Palestinian Water Authority on 28/4/2024, and delved into the evolving political landscape in Palestine and the unfolding events in Gaza. H.E. underscored the unity of the Palestinian, Arab, and Islamic positions regarding the Gaza crisis.

H.E. asserted that recent events have demonstrated a significant shift in the Israeli entity, with the once-utilized cards of victimhood and oppression now obsolete, including the portrayal of an indomitable intelligence state. Additionally, H.E. stressed the imperative of upholding international legitimacy and adhering to the laws and resolutions it issues. Furthermore, H.E. reiterated our plea to the global community to exert pressure on Israel to comply with the Security Council's resolution and cease its unjust war on the Gaza Strip.

Concerning the water file, H.E. emphasized the importance of sharing expertise and experiences in water management, recognizing the challenges posed by climate change and other intricate issues affecting this vital resource.
