Sayyid Al-Hakeem Discusses Iraq and Regional Updates with UK Ambassador

Sayyid Ammar Al-Hakeem, Head of the National State Powers' Alliance, met with British Ambassador Stephen Hitchen and discussed the latest political developments in Iraq and the region. His Eminence reaffirmed his condemnation of israeli aggression in Lebanon, Gaza, and the West Bank, emphasizing that the widespread grief and global protests reflect the rejection of this entity’s actions by free nations. H.E. also expressed his deep concerns over the international community’s silence on the genocidal crimes against the Palestinian and Lebanese people, while highlighting Iraq's efforts to ease border tensions and prevent escalation.

H.E. underscored the urgent need to stop the war in both Palestine and Lebanon, holding the international community accountable for this and for preventing the conflict from spreading further throughout the region.
