Sayyid Al-Hakeem Meets Dhi Qar Governor, Affirms Demonstrations Legitimacy, Calls to Listen to Demonstrators Claims

Sayyid Ammar Al-Hakeem, Head of the National State Powers' Alliance, met with the Governor of Dhi Qar, Mr. Murtadha Al-Ibrahimi, and discussed the governorate’s service and development status, as well as the pending projects. His Eminence emphasized the need to complete the service projects that directly impact citizens, along with strategic initiatives that could significantly transform the governorate.

H.E. highlighted the importance of success at the provincial level, noting that such success reflects positively on the political system and its federal structure. H.E. called for granting sufficient authority to local governments in line with the constitution and law while encouraging coordination and collaboration between the governor, the provincial council, and federal ministries.

H.E. reiterated that peaceful protest is a constitutional right for everyone, stressing the importance of maintaining the peaceful nature of demonstrations and avoiding harm to citizens' interests and public property. Additionally, H.E. emphasized the need to ensure the safety of protesters and address their concerns.
