Sayyid Al-Hakeem: Remembering Victory Leaders and Shaheed Al-Mihrab... Icons of Struggle and Loyalty to the Nation's Causes

On the fifth anniversary of the martyrdom of the Victory Leaders (may Allah have mercy on them), coinciding this year with the 22nd anniversary of the martyrdom of Shaheed Al-Mihrab (Martyr of the Alter), Ayatollah Sayyid Mohammed Baqir Al-Hakeem (may his soul rest in peace), Sayyid Ammar Al-Hakeem, Head of the National State Powers Alliance, emphasized the importance of drawing lessons and inspiration from these occasions, which represent shining milestones in the history of the Islamic nation.

In a statement on His Eminence’s social media platforms, H.E. said:

"The fifth anniversary of the martyrdom of the Victory Leaders (may Allah have mercy on them), coinciding this year with the 22nd anniversary of the martyrdom of Shaheed Al-Mihrab, Ayatollah Sayyid Mohammed Baqir Al-Hakeem (may his soul rest in peace), comes at a time when the Islamic nation faces a critical juncture. This juncture combines pride in victory with the pain of losing resistance leaders, most notably the martyr Sayyid Hassan Nasrallah and his comrades (may Allah be pleased with them).

This eternal jihadist journey compels us to take pride in the men who etched the corridors of our nation's history with letters of light, serving as a beacon of guidance, resilience, adherence to the principles of truth, dedication to the cause, attachment to identity, and steadfastness in upholding the nation's causes and principles.

This glorious legacy urges us to continue striving for the rights of our peoples and our nation, to alleviate injustice and oppression, and to defend its just causes. It also calls for immortalizing the memory of its scholars, martyrs, and leaders in educational curricula and commemorative events, in recognition of their sacrifices and appreciation for their contributions.

Peace be upon the martyrs of Islam and Iraq."
