Sayyid Al-Hakeem Receives Republic’s President Dr. Abudlatif Jamal, Affirms Iraq National Unity, Sustainable Stability

Sayyid Ammar Al-Hakeem, Head of the National State Powers' Alliance, received His Excellency, President of the Republic, Dr. Abdulatif Jamal Rashid, and discussed the latest developments in the Iraqi and regional political landscape. His Eminence and His Excellency commended Iraq’s approach and its role in addressing the challenges and developments in the region, without becoming entangled in their details, while emphasizing the importance of maintaining security and military readiness.

The discussion also reaffirmed the need to uphold national unity, safeguard the achievements made, sustain the current stability, and work toward solidifying it into lasting stability.
