Sayyid Al-Hakeem: Laylat Al-Qadr and Imam Ali's Martyrdom Embody Truth and Faith

On the blessed Night of Qadr and the solemn anniversary of the wounding of Commander of the Faithful Ali ibn Abi Talib (peace be upon him), Sayyid Ammar Al-Hakeem, Head of the National State Powers Alliance, reflected on the profound values exemplified by Imam Ali (AS). H.E. emphasized that Imam Ali (AS) represented not just an individual, but an entire school of thought and a complete divine mission.

Sayyid Al-Hakeem affirmed that Imam Ali (AS) embodied truth, as the Prophet Muhammad (peace be upon him and his progeny) declared: "Ali is with truth, and truth is with Ali." H.E. stressed that truth must remain our measure for sincerity and action in this world, and that Imam Ali (AS) himself is the standard of truth.

Marking this sacred occasion, Sayyid Al-Hakeem called for deep reflection on Imam Ali’s enduring legacy, urging continued commitment to justice and integrity—the living essence of his divine message.
