Sayyid Al-Hakeem Discusses Medical Reality, Stresses Advancing Health Care Management, Support Projects, Iraqi Expertise with Health Minister

His Eminence Sayyid Al-Hakeem, Head of the National State Powers Alliance, received His Excellency the Minister of Health, Dr. Salih Al-Hasnawi, in his Baghdad office on Sunday evening, 30 November 2025. His Eminence listened to a detailed presentation delivered by the Minister on the country’s health landscape, the projects nearing completion, and the ongoing efforts to strengthen local pharmaceutical production.

H.E. underscored the importance of advancing the health sector, appreciating the notable steps achieved in recent months. H.E. also urged the effective engagement of Iraqi expertise, especially the contributions of emigrant professionals. H.E. highlighted the need to support health centers, ensure focused care for patients with chronic and cancer-related conditions, continue backing newly launched projects, and enhance health administration to reinforce the efficiency of medical institutions and provide improved services to citizens.
