Sayyid Al-Hakeem At Political Office Inaugural Meeting Affirms Field Work Importance

At the inaugural meeting of the Political Bureau elected by the General Assembly of Al-Hikma National Movement, members extended their congratulations to His Eminence Sayyid Al-Hakeem on his re-election as Head of the Movement. In return, His Eminence congratulated the attendees on gaining the confidence of the General Assembly and their selection as members of the Political Bureau for its third session – the Martyr Sayyid Mahdi Al-Hakeem session (may his soul be sanctified).

His Eminence renewed his emphasis on the importance of active field engagement and maintaining close contact with the public, particularly members of Al-Hikma, while embodying humility, a grounded spirit, and commitment to the “Iraq First” principle.

The meeting also resulted in the selection of Ms. Layla Al-Khafaji as Secretary of the Political Bureau for this term.
