

Sayyid Al-Hakeem Urges Fully Competent Government to Confront Economic, Reform Challenges

His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received Mr. Muhsin Al-Mandalawi, Head of the Iraqi Foundation Alliance.

The meeting addressed developments in the political scene in Iraq and the region, where the two sides discussed the issue of completing the government cabinet and the necessity of expediting it. H.E. stressed the importance of nominating competent figures to manage the vacant ministries.

H.E. reaffirmed his support for Mr. Ali Al-Zaidi's government in its development and reform track and its fight against corruption, in addition to affirming the necessity of legislating laws related to citizens' interests, in a way that contributes to overcoming the current challenges and achieving stability, stressing the necessity of everyone joining forces to confront the economic crisis the country is going through.
