

Sayyid Al-Hakeem Calls to Accelerate Legislation, Advance Projects to Confront Economic Challenges

His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received the Secretary-General of the Jihad and Construction Movement, MP Mr. Jawad Al-Saedi, and discussed with him developments in the political scene in Iraq and the region, as well as the legislation that must be advanced in the current period, especially legislation with direct bearing on citizens and their daily needs.

Sayyid Al-Hakeem pointed to the nature of the current economic crisis, noting that Iraq possesses great and enormous potential, stressing spending priorities in paying salaries and the dues of farmers and contractors, along with the importance of advancing projects with high completion rates.
