

Sayyid Al-Hakeem: Reform Projects Targeting Right of Passage Requires Patience, Steadfastness

In the Diwaniya of Giving (Diwaniyat Al-Ataa), H.E. Sayyid Al-Hakeem, Head of the National State Powers' Alliance and Leader of Al-Hikma National Movement, met with a large gathering of Al-Hikma National Movement's organizational leadership in Al-Diwaniyah, extending his congratulations on the Prophet's noble birth (Mawlid) and the birth of Imam Al-Sadiq (PBUH), and offering his condolences on the anniversary of the martyrdom of Shaheed Al-Mihrab (may his noble secret be sanctified). H.E. recalled the conduct of Prophet Mohammed and his approach in advancing reform projects and enduring hardships, and pointed to the conduct of Imam Al-Sadiq (PBUH) and his approach in confronting injustice and in cultivating leaders and scholars, noting that the path of oppression targets the path of truth and reform.

H.E. called for enduring hardships and defamation campaigns, and for following the example of Prophet Mohammed (PBUH) and the targeting H.E. faced, as well as that faced by Amir Al-Mu'minin (PBUH) and Imam Al-Hussein (PBUH), calling for adherence to and steadfastness in these projects, for addressing and explaining positions and rebutting doubts, and for openly displaying movement identity. H.E. called for taking pride in the Al-Hikma project, its symbols, and its approach, the approach of moderation and centrism, and the approach of supporting youth, and for moving from outreach to influence, while stressing the importance of serving the people.
