Sayyid Al-Hakeem Urges Supporting Iraqi Dinar, Digitizing Banking Work, Activating Programs Easing Citizens’ Burdens

His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received at his office in Baghdad the Governor of the Central Bank of Iraq, Dr. Nizar Nasser Hussein, and discussed with him the country's monetary policy following the financial crisis Iraq was exposed to as a result of the decline in oil production and export and the change in the exchange rate.

H.E. stressed digitization and governance in the Central Bank's performance, with the importance of integration with the other government institutions, calling for adopting a clear policy in support of the Iraqi dinar, and affirming the importance of the Central Bank undertaking programs that ease the burden on citizens, such as supporting household solar energy projects for citizens.
