Sayyid Al-Hakeem: Unifying Discourse National Responsibility, Religious Pulpits Platforms to Consolidate Coexistence among Components

His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received the Head of the Sunni Endowment Diwan, Dr. Amir Shakir Al-Janabi, and discussed with him the obligations of the current phase, while H.E. stressed the necessity of a unifying discourse and of confronting any attempts to bring back sectarian discourse and return Iraq to square one.

H.E. called for pulpits to be platforms for Islamic and national unity, stressing the sending of messages of reassurance among the components, proving Iraqis' ability to embrace one another, and holding fast to their unity, their homeland, and their achievements.
