Sayyid Al-Hakeem Meets Soroban International Union Students, Praises Their Excellence in Mental Mathematics

Sayyid Ammar Al-Hakeem, Head of the National State Powers Alliance, met on Saturday, September 13, 2025, with a group of students from the Soroban International Union for Mental Mathematics on the occasion of the 2025 graduation ceremony, which H.E. proudly sponsored.

His Eminence expressed his delight at the meeting, affirming that the Iraqi people are gifted with intelligence and that these students represent a bright example of the country’s promising potential. H.E. praised Iraq’s achievements in international forums, particularly in the fields of intelligence and mental mathematics.

H.E. stressed the importance of self-development and continuous effort in the pursuit of excellence, appreciating the role of parents in supporting their children and enabling them to reach such distinguished levels. H.E. also called for preserving these achievements and raising Iraq’s flag high in global competitions.

H.E. emphasized that working for the homeland must be done sincerely for the sake of Allah, placing responsibility on both the state and civil society organizations to nurture and support these talents, ensuring their continued growth like well-rooted plants.

In conclusion, H.E. noted that Iraq is admired and respected in the eyes of others, urging the promotion of positivity and the abandonment of pessimism, so as to contribute to building a prosperous Iraq that reclaims its leading position among nations.
